Re: Product Discontinuation Notice

Dear Valued Customer,

Following a comprehensive review of the products we currently sell in the United Kingdom, we have taken the decision to discontinue a number of products effective from the 1st July 2022.

For a complete list of the affected products from our Medical Products portfolio, please click on the link <https://qrco.de/bcitcA> or copy the address into your web browser. Where available, an alternative product has been identified.

Cardinal Health hopes that by communicating this list of discontinued products in advance will enable you to plan and prepare for a smooth transition.

Yours sincerely,
